

Horizon Europe Workshop for SNU Researchers 서울대학교 연구자를 위한 호라이즌 유럽 워크숍

이번 워크숍은 우리 대학이 참여 중인 한-스웨덴 혁신교육연구단(SKERIC, Sweden-Korea Education, Research, and Innovation Collaboration)과 함께 기획하였습니다.
EU 펀딩 및 Horizon Europe 프로그램에 대한 풍부한 경험을 가진 룬드대학교(Lund University)의 Research Funding Advisor가 직접 진행합니다.

Overview

This session is part of **SKERIC Week 2025** and is designed for **SNU professors and researchers** preparing for participation in **Horizon Europe**, especially **collaborative projects under Pillar II**. The workshop will offer **practical guidance** on proposal writing, project planning, and strategies for successful participation, including real cases from **Lund University**.

Date & Time 일시

Wednesday, 19 November 2025 at 14:00~16:00
2025년 11월 19일 (수) 14:00 – 16:00

Venue 장소

Auditorium, 5F, Global Education Center for Engineers (Bldg. 38), Seoul National University
서울대학교 글로벌공학교육센터(38동 5층) 대강당

Speaker 연자

Dr. Kerstin Gidlöf (Research Funding Advisor, Lund University)
Kerstin Gidlöf 박사 (룬드대 연구 펀딩 어드바이저)

Language 언어

English 영어 진행

Target 대상

SNU researchers, faculty members, and administrators preparing for Horizon Europe applications
호라이즌 유럽 참여를 준비 중인 서울대학교 연구자 및 직원

Registration 참석 등록

Contents 주요 내용 (subject to change)

Part 1 – introduction and overview

- What is Horizon Europe? Political background and structure of the funding programme
- Overview of the three pillars of Horizon Europe
- Focus on pillar II – clusters (with examples of calls)
- What do collaborative projects in pillar II look like? (with examples from LU)
- How are funding proposals evaluated?
- Why participate in collaborative Horizon projects?
- How do you find funding opportunities? (including links)

Part 2 – how to write a successful Horizon Europe pillar II application

- The EU Funding & Tenders Portal
- What to look out for when reading a call text
 - General information
 - Topic description
 - Policy context
 - General conditions
 - The average consortium
- Sections of the application
- Proposal writing tips for each section
- Project application timeline

SKERIC (Sweden–Korea Education, Research, and Innovation Collaboration) is a collaborative project between eight Swedish and Korean universities running until 2026. The project addresses some of the major challenges facing democratic societies today, with the aim to equip some of the best and brightest young researchers and innovators from Sweden and Korea with the necessary tools, skills, and networks to become academic leaders and outstanding researchers and innovators, capable of addressing the world's most pressing challenges as well as advocating for democracy and academic freedom.
